Prochem Galaxy

AC1039

PM2501

Professional compact carpet & upholstery cleaning machine

The Galaxy portable extractor is the perfect machine for residential and institutional cleaning of carpets, rugs and upholstery. With a compact design and lightweight yet durable hi-tech construction the new Galaxy packs a powerful punch. With a powerful 2-stage vacuum and 70psi pump, the Galaxy delivers the same cleaning performance as much larger machines. The Galaxy is perfect for in-house cleaning as well as car valeting, spotting and small area commercial cleaning.

Features

- Lightweight and compact design fits easily into small vehicles
- Powerful pump and vacuum give professional results
- Stylish design with new “granite” scuff-resistant finish
- Folding handle
- Automatic vacuum shut-off
- Free Training Voucher with this machine
